Stony Brook University Presents:

**Keynote**

**Captain Shannon Meehan,**
**Retired U.S. Army**

Author of “Beyond Duty” and a national public speaker, Meehan has shared his story and advocated for veterans returning from combat. CNN, NBC, and the New York Times has featured Shannon’s experiences and his emphasis on the importance of narrative for soldiers. His support for veterans, especially those suffering from Traumatic Brain Injury and Post-Traumatic Stress Disorder, has made him an important figure in the advocacy of returning soldiers.
